M8D Chipper

UPPER VALLEY EQUIPMENT RENTALS INC

8 BRIDGE ST., W. LEBANON, NH 03784
603-298-8744

Overview

The high-capacity Eeger Beaver M8D Brush Chipper is easy to transport and operate. Plus, it's the only chipper in its class to combine both a wide infeed chute opening and 1.25" thick chipping disc for a up to 6" diameter chipping capacity. The M8D has a 251-pound disc and shaft weight, which provides more inertia to power through material and continuously feed material with a 360 degree swivel discharge.
