## MT100 Overview

**Concentrated power with rated operating capacity of 1000 pounds, the Bobcat MT100 mini track loader is perfect for your smaller but mighty jobs, at just 36 inches wide and 85 inches long (without an attachment), it goes where other machines can't. Squeeze through doorways and fence gates and work in tight spaces. Rugged rubber tracks keep you going in soft, wet or muddy conditions, with minimal disturbance.**
