Overview

Get right to work with the ET500J 50' towable boom lift, no need to worry about delivery, you hook on and take it with you!

Powered by 4 x 6v 220 amp-hr batteries for quiet, efficient power.

Set up with ease with hydraulic auto leveling outriggers.

Increase productivity with standard features such as air and water lines to the platform. Detachable platform controls provide more efficient boom positioning with one-hand operation of all boom functions.
