10" Tile Wet Saw

Felker Tile Master 10" Tile Saw with Stand. Tile Master high torque 1 1/2 HP motor. Up to 10" blade capacity. (incl.) Totally enclosed belt drive system. Tilt-up blade guard allows for easy access and has an enclosed water system. Simple, reliable tracking system. ABS water pan is tapered and ribbed to extend pump life and reduce the total water volume in the pan. The stand is a one piece accessory that is simple to use and provides a solid, stable base. Designed specifically for high production tile sawing. Open design diagonally cuts 13" X 13" tile and rip cuts 19" tile.
