## MT120 Overview

\*10-hour a day run limit. Pricing subject to change.

**Bobcat MT120 specs include best-in-class lift height and 1,200-pound lift capacity to help you do more with every cycle. At just 36 inches wide with standard tracks, the MT120 delivers big performance in tight spaces. Smooth, precise controls and premium ride-on platform make every job easier. Highly maneuverable with minimal ground disturbance to reduce ground repair.**
